CSHB 26 (TRA), Version I – Sectional Analysis

"An Act relating to the duties of the Department of Transportation and Public Facilities; and relating to a statewide public and community transit plan."

Section 1. AS. 44.42.020(a):

- Amends subsections (3) and (4), which describe the Department of Transportation and Public Facilities' duty to study alternative means of transportation in the state and develop a comprehensive, long-range, intermodal transportation plan, by directing the department to include public, tribal, and community transit programs.
- Amends subsection (5) to the Department's duty to study alternative modes of transportation by adding rural and remote areas to its scope, and requiring coordination with metropolitan planning organizations, local governments, communities, tribal entities, and public and community transit operators, including ferry operators and the Alaska Railroad Corporation.
- Adds subsection (17) which creates a new duty for the Department to develop a statewide public and community transit plan in coordination with metropolitan planning organizations, local governments, communities, tribal entities, and public and community transit operators, including ferry operators and the Alaska Railroad Corporation.
